MARLBOROUGH | 7 – 10 JULY 2025

# INVITATION TO SPONSOR

We would like to extend to you an opportunity to have your organisation associated with this year's Conference of the New Zealand Marine Sciences.

The annual conference is a must-attend event for Marine Scientists and will cover a diverse range of topics under the theme 'The Rising Tide' - drawing together data, disciplines, and perspectives to tell the NZ marine story. We are expecting over 200 delegates from around New Zealand to travel to Blenheim for the Conference, providing you with an unequalled opportunity to showcase your business.

The conference will be held at the Marlborough Events Centre, a great venue within the heart of Blenheim - close to local restaurants and hotels. As you are aware, the success of events like this depend significantly on sponsorship from organisations such as yours. We would like to offer you the opportunity to profile your business at the Conference and attract support to your organisation from Conference delegates.

On behalf of the Organising Committee, we present the following sponsorship packages. Please contact Tracy Young at onCue Conferences to discuss supporting the conference. There are a variety of sponsorship packages outlined in the following document however we are happy to discuss customised packages on a case by case basis. All customisation should maintain the spirit of supporting the conference at the designated levels.

# NEW ZEALAND MARINE SCIENCES SOCIETY SPONSORSHIP POLICY

## Rationale

The New Zealand Marine Sciences Society (NZMSS) acknowledges that sponsorship provides funds and resources to help the society achieve its goals and objectives and thus enhance the value it provides to its members. Sponsorship may be provided by research institutes, government agencies and departments, trusts, foundations or commercial enterprises

## Purpose of this policy

The objectives of this policy are to:

- Reflect the fundamental principles that shape the NZMSS's relationship with sponsors to ensure they generate mutual benefits.
- Ensure that the NZMSS has a coordinated approach to sponsorship
- Further develop positive working relationships with sponsors for the benefit of both parties
- Ensure that the integrity of the NZMSS brand is actively managed and controlled by employing a practical and fair approval process

## Policy

- (a) All sponsorship arrangements must be specified in an agreement between the NZMSS and the sponsor. The agreement must outline all specific provisions as well as terms and conditions.
- (b) The NZMSS should be open to discussing specific sponsor requirements and to work with sponsors on ways they can maximise the benefits of their investment in accordance with these guidelines.
- (c) By entering into an agreement with a sponsor, the NZMSS does not imply endorsement of a company's product or service and may not be represented by the sponsor or NZMSS as such.
- (d) The NZMSS usually calls for sponsorship of its annual conference through a sponsorship proposal. Responses to this proposal are evaluated by the conference organising

committee. The organising committee must follow these guidelines in their evaluation of sponsorship offers. The NZMSS Council retains responsibility for final approval of any sponsorship.

- (e) Offers of sponsorship unrelated to the conference should be addressed to the NZMSS Council.
- (f) The NZMSS prefers to have multiple sponsors for each event/activity.
- (g) Conference programming is carried out by the Society and is always independent of the sponsor(s).
- (h) Oral or poster conference presentations by people associated with the sponsors must not be used for promotional purposes. Abstracts from sponsors and other parties associated with sponsors will be subject to the same review and selection process as for any other conference presentation, and offers of sponsorship may not be contingent on selection of presentation abstracts.
- (i) The NZMSS must clearly identify all sponsors at events/activities and in related communication material
- (j) The sponsor must seek approval from the NZMSS for the use of the NZMSS name and/or logo.
- (k) Sponsors must not promote services or products that are in contradiction to the objectives of the society (viewable on the NZMSS website).
